

FORM CRS (ADV 3) CLIENT RELATIONSHIP SUMMARY

MARCH 2025

1. INTRODUCTION

TPFG is an investment adviser registered with the Securities and Exchange Commission (“SEC”). As an investment adviser, TPFG does not provide brokerage or commission-based services. It is important for retail investors to understand the differences between advisory and brokerage fees and services. There are free and simple tools available to research firms and financial professionals at www.investor.gov/CRS, which also provides educational materials about investment advisers, broker dealers, and investing.

2. RELATIONSHIPS AND SERVICES

WHAT INVESTMENT SERVICE AND ADVICE CAN YOU PROVIDE ME?

TPFG offers one investment advisory Program to retail investors called the Enhanced Portfolio Investment Centre/MMS (EPIC).

TPFG primarily works with unaffiliated investment adviser representatives (“IAR”) whose supervising firms have contracted to introduce their Clients to TPFG for asset management. The IAR and TPFG will have their respective obligations to the Client. TPFG provides portfolio management in the Program it administers while the IAR as the Client’s financial adviser determines the appropriateness of the Program and account allocation selected based on information provided by the Client. Under certain circumstances, IARs registered with TPFG will offer its Program directly to investors under its Private Client services, in which case, TPFG assumes the responsibilities of the IAR.

Except for certain offerings (“Solutions”) within the Program, TPFG constructs model portfolios (each, a “Model”) and continuously monitors each Model to remain consistent with the stated discipline as part of its standard services. For certain Solutions, TPFG offers independent strategists (each a “Strategist”). Accounts may be allocated to a single Strategist or a combination of Strategists. TPFG conducts due diligence on Strategists for platform access. TPFG may itself serve as a strategist for EPIC. TPFG has the discretion to determine the Models/Strategists that will be available within a Solution. For all Solutions, the IAR determines the initial suitability of each Model/Strategist, based on the IAR’s knowledge of the Client’s investment needs and objectives, and confirms suitability at least annually. All Strategies consist of mutual funds and exchange traded funds. Except as noted below, Client grants TPFG the discretion to execute transactions without first consulting the Client.

ADDITIONAL INFORMATION / PROGRAM LIMITATIONS:

- Certain Solutions are comprised solely of the Pacific Financial Group family of mutual funds (the “Pacific Funds”) which are managed by Pacific Financial Group, LLC, a TPFG affiliate. The Pacific Funds are also known as Single Ticker Models (STM) because they are mutual fund options comprised of mutual fund models. The underlying models are managed by TPFG’s partner Strategists. Please see the prospectus for details.
- If a retirement plan will not permit TPFG to trade the account, TPFG will enter into a non-discretionary agreement.
- In certain Solutions, the Client’s IAR may build custom portfolios managed by the IAR.
- Depending on the Solution, account minimums are between \$0 and \$100,000.
- Go to <https://www.tpfg.com/> and click the “Solutions” tab for additional information about our offerings.

Conversation starter to ask your Adviser:

- Given my financial situation, should I choose an investment advisory service?
- Why or why not?
- How will you choose investments to recommend to me?
- What is your relevant experience, including licenses, education and other qualifications? What do these qualifications mean?

3. FEES, COSTS, CONFLICTS AND STANDARD OF CONDUCT

WHAT FEES WILL I PAY?

You will pay various fees when participating in the Solution selected as noted below. Fees are memorialized in the management agreement each client signs prior to investing. **You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make over time on your investments. Please make sure you understand what fees and costs you are paying.**

TPFG’s maximum fee for Strategy Plus, and Advantage STM is 1.99% (includes the maximum IAR fee), assessed monthly in arrears as a % calculation of the Fund’s NAV. The maximum fee for all other EPIC Solutions is 2.00% (includes the maximum IAR fee), paid quarterly in advance as a % of account value as of the last trading day of the calendar quarter.

FORM CRS (ADV 3) CLIENT RELATIONSHIP SUMMARY

MARCH 2025

IMPORTANT NOTES ABOUT FEES:

- All fees are paid directly by you, except as noted below.
- Clients in Pacific Funds indirectly pay fees as shareholders of the Pacific Funds. PFG has agreed to cap Pacific Funds expenses, excluding Acquired Fund Fees and Expenses (“AFFE”), not to exceed 1.99%. The Pacific Funds pay additional fees to include AFFE, and prior to 3/31/25, distribution charges to custodial and brokerage platforms. Neither TPFG nor its affiliate receive or share in these additional fees.
- Additional information about fees can be found in TPFG’s form ADV 2A (See Item 5).

Conversation starter to ask your Adviser:

Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs and how much will be invested for me?

WHAT ARE YOUR LEGAL OBLIGATIONS TO ME WHEN ACTING AS MY INVESTMENT ADVISER? HOW ELSE DOES YOUR FIRM MAKE MONEY AND WHAT CONFLICTS OF INTEREST DO YOU HAVE?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are some examples to help you understand what this means:

- TPFG will use its proprietary mutual funds when allocating accounts to certain Solutions. TPFG profits through fees paid by the Funds to TPFG and its affiliate, which fees would not be earned through non-proprietary funds. To mitigate this conflict, Clients that participate in certain solutions using PFG Funds, are not charged a platform fee by TPFG.
- Some strategists will pay TPFG or its affiliate for making their services available in a TPFG Program.
- TPFG’s fees are “asset based” which means the fee is calculated as a percentage of the value of the account so that Clients will pay more in fees as the account value increases.
- For additional information about conflicts of interest see TPFG’s form ADV 2A Items 5 & 10

HOW DO YOUR FINANCIAL PROFESSIONALS MAKE MONEY?

TPFG profits from the fees charged to Clients and from its proprietary mutual funds. A portion of these fees are paid to TPFG’s financial professionals as noted in the investment management agreement. See TPFG’s Form ADV 2A Item 5 & 10 for additional information about conflicts of interest and mitigation.

Conversation starter to ask your Adviser:

How might your conflicts of interest affect me, and how will you address them?

4. DISCIPLINARY HISTORY

DO YOU OR YOUR FINANCIAL PROFESSIONAL HAVE LEGAL OR DISCIPLINARY HISTORY?

Yes, TPFG has a disciplinary event. Please visit <https://www.investor.gov/CRS> for a free and simple search tool to research us and our financial professionals.

Conversation starter to ask your Adviser:

As a financial professional do you have any disciplinary history? For what type of conduct?

5. ADDITIONAL INFORMATION

For additional information about our services, visit www.TPFG.com where you can find our Form ADV and other information about us to include the Prospectus for our proprietary funds. You can also call us at 800-735-7199 or email us at teamCS@tpfg.com to request a free copy of our ADV and Form CRS or to speak with a TPFG Investment Adviser Representative.

Conversation starter to ask your Adviser:

Who is my primary contact person? Is he/she a representative of an investment adviser or broker dealer? Who can I talk to if I have concerns about how this person is treating me?

TPFG offers one or more Solutions selected by the Client when executing the appropriate SIS. Each Client Account will require a separate SIS for each Solution. The SIS sets forth the investment allocation for the Account as well as the sources, amounts, and recipient(s) of all fees paid by the Client in connection with the Solution. Subsequent selections will require a separate SIS that will be made a part of the Client Agreement. Investments within a Solution may be amended as permitted by the Program and IMA.

Account Application & Investment Management Agreement

This **INVESTMENT MANAGEMENT AGREEMENT** (“IMA”) sets forth the roles, rights, and responsibilities of The Pacific Financial Group, Inc. (“TPFG”), the client(s) (“Client”), and the Financial Adviser (“Adviser”) identified in the Account Application.

1. TPGF’S SOLUTIONS

- a. TPGF offers several account management solutions (each a “Solution”) for the investment of Client’s assets held in Client accounts managed by TPGF (“Accounts”). Each Account is permitted to invest in only one Solution. Management of each Solution is governed by the Client Agreement and the Solution’s respective Statement of Investment Selection (“SIS”). Client is directed to the Solution SIS for a description of the manner in which the Account will be managed to include the Account allocation, the applicable fees, account minimums and other Solution requirements or limitations. TPGF may modify any Solution, to include fees and account allocations, or may add, remove or revise all Solutions in its sole discretion. Any material changes to a Solution will be reflected in a written amendment to the SIS provided to Client.
- b. TPGF Solution Policy: In administering the Solutions, TPGF (and certain investment products) may enforce certain policies (“Solution Policies”) which may limit the activities within an Account. Such limitations may include: trade restrictions; investment limitations; the timing or frequency of when allocation changes will be permitted; the Adviser’s ability to move Client between Solutions; or the ability to modify the Client’s stated risk tolerance, among others. To the extent a Solution Policy places a restriction or limitation on a Solution or Account, such limitations shall not be deemed the provision of advice by TPGF or otherwise expand on the TPGF services provided for in the Client Agreement. It is the Adviser’s responsibility to understand the Solution Policies governing each Solution.

2. ACCOUNT ALLOCATION AND MANAGEMENT

- a. Within each Solution, TPGF will provide various investment options to allocate to the Account (each an “Account Allocation”). Account Allocations can include the investment discipline of individual 3rd party asset managers (each a “Strategist”), or model portfolios (each a “Model”) consisting of one or more Strategists, securities, funds or other investment vehicles selected or managed by TPGF. In providing Strategists, TPGF will review and monitor the Strategist and will execute trades and take other action as directed by the Strategist to ensure the Allocation remains within its stated discipline. When TPGF provides a Model, TPGF shall provide ongoing management of the Model to include, trading, rebalancing and selection of securities, funds and other investment vehicles to include within the Model. TPGF shall have the sole discretion to determine the Models or Strategists it will make available in each Solution. TPGF is instructed by the Client and/or Adviser as to how the Account will be allocated as noted in the SIS or as TPGF may be instructed by Adviser subject to the Limited Power of Attorney (“LPOA”) granted to Adviser.
- b. **Account Restrictions.** Client is free to place reasonable restrictions on the management of Solution Account(s), by providing written notice to the Adviser or TPGF. In the event TPGF cannot reasonably accommodate the needs of the Client, TPGF will decline management of the Account and/or will terminate the Client Agreement.
- c. **Trade Authorization.** In selecting an Account Allocation, Client grants discretionary authority to TPGF, to make purchases and sales of securities without first consulting with the Client, provided that such activity is consistent with the established tolerance and in accordance with the particular Model’s or Strategist’s stated discipline allocated to the Account.
- d. **Other Services.** In addition to managing the Strategists and Models, TPGF Services shall include other non-investment management services, such as implementation of instructions provided by Adviser or Client, maintenance and administration of the Solutions and Client’s Accounts; and record keeping, performance reporting and other back office functions.
- e. **Limited Advice by TPGF.** Client acknowledges that TPGF Services do not include, and that TPGF is not providing to Client, any investment advice with respect to the appropriateness of a Solution or Account Allocation. Unless agreed to otherwise, Client understands that TPGF’s Services are separate from those provided by Adviser and are limited to maintaining the Solutions and the available Account Allocations. TPGF does not provide legal or tax advice. See Section 14 “Fiduciary Duties” for additional limitations.

3. ADVISER SERVICES

- a. **Solution Selection.** Adviser has gathered sufficient information from the Client as the Adviser has deemed appropriate and has recommended to Client, one or more Solutions offered by TPGF. Adviser is responsible for determining that each recommendation and Account Allocation is appropriate and suitable based on the Client’s investment needs and objectives. Adviser has sufficiently disclosed and discussed all material aspects of the Solution with the Client so that the Client can make an informed decision when deciding to participate in a Solution and when selecting an Account Allocation. For each Account, the Solution selected, risk tolerance and Account Allocation shall be set forth on the Solutions’ SIS as executed by Client and Adviser or as may be amended by the Adviser as provided for herein.

Account Application & Investment Management Agreement

- b. **Account Allocation.** For each Account, Adviser shall recommend to Client an Allocation that is appropriate for the Client based on among other factors, the Adviser's knowledge of the Client's investment history, risk tolerance and income needs from the Account. Under all circumstances, Account Allocation shall be the responsibility of the Adviser and/or the Client.
- c. **Continuous Supervision and Monitoring.** Adviser shall be responsible to ensure that Solution and Account Allocation remain appropriate and suitable for Client. Adviser shall confirm with the Client (at least annually) and more frequently as necessary in Adviser's discretion, that any Solution and Allocation continue to be appropriate based on the Adviser's knowledge of among other factors, the Client's risk tolerance, investment objectives, income needs, time horizon and life changes. If Adviser determines that a change to a Solution or Allocation is required, Adviser shall notify and instruct TPFG of the Changes to be made in writing in accordance with TPFG's Solution Procedures.
- d. **Other Services.** Adviser shall provide to Client such other non-investment, administrative, and personal services, as may be appropriate for the proper maintenance of each of Client's Accounts. Client may engage Adviser for other services outside and in addition to the TPFG Services. Such services are not a part of this Client Agreement unless expressly agreed to by TPFG in writing.

4. LIMITED POWER OF ATTORNEY

- a. Client grants to Adviser a Limited Power of Attorney ("LPOA") and appoints Adviser as Client's agent and attorney in fact to provide instructions to TPFG without first consulting Client subject to the limitations set forth herein, and in accordance with the Adviser's fiduciary duty to the Client. Any such instructions shall be consistent with the terms of the LPOA and in accordance with TPFG's Solution Policies as it may establish or modify from time to time in its sole discretion. It is the Adviser's responsibility to verify that any instructions provided to TPFG are executed correctly. Client agrees and acknowledges that TPFG is authorized to act in accordance with Adviser's instructions and shall indemnify TPFG when acting on Adviser's instructions.
- b. **Account Allocation.** Client grants to Adviser the power and authority to provide written instructions to TPFG, on Client's behalf, as to the Client's risk tolerance and manner in which an Account shall be allocated investments to include the selection of Models or Strategist; provided however, the initial Account Allocation and risk profile for each Solution must be set forth in writing in an SIS, signed by both Client and Adviser. Unless otherwise permitted by Solution Policy, Client and Adviser shall provide all other changes by completing and signing the appropriate TPFG paperwork.
- c. **Account Disbursements.** Client grants Adviser the power and authority to provide written instructions to TPFG to initiate the transfer or disbursement of funds from Client's Account by check made payable to Client and delivered to the Client's address of record on file with TPFG or by check or wire transfer to an account previously identified in writing by Client. When facilitating transfers or disbursements, the Client shall be required to complete and sign the qualified custodian's Standing Letter of Authorization ("SLoA") which will identify the timing of disbursements/transfers, the recipient, the account from which funds are to be transferred, and the account/address for which the funds will be directed. The client can terminate the SLoA at any time.
- d. **In the event that the Adviser's supervising firm prohibits their Advisers from acting for a Client pursuant to an LPOA, then the LPOA shall be of no force or effect.**
- e. **Termination of LPOA.** The authority granted by the LPOA can be revoked by Client at any time by providing TPFG with written notice of termination. TPFG shall not be responsible for any action taken or initiated prior to receiving Client's termination.
- f. **Client Indemnity:** Client acknowledges that Adviser is not an employee, contractor, agent, or otherwise affiliated with TPFG and that, unless prohibited by Adviser's supervising firm, Client grants Adviser the rights, power, and authority described in this LPOA on Client's own accord. Client understands that (i) Client is instructing TPFG to implement Adviser's instructions and (ii) TPFG is not expected or obligated to review or evaluate the appropriateness of any instructions provided by Adviser to TPFG, so long as such instructions are consistent with the terms of the LPOA and TPFG policy. Any action taken by TPFG at the direction of Adviser shall be deemed correct and TPFG shall not be responsible for any errors in instruction or executing the instructions upon the passage of not less than thirty (30) days from the date TPFG receives the instruction. Client agrees to indemnify and hold TPFG, its officers, directors, employees, and assigns harmless, from and against any and all claims, damages, or harm, to include reasonable attorney fees, whether realized or foreseeable, as a result of TPFG implementing the instructions provided by Adviser to TPFG on Client's behalf; provided, however, that nothing herein shall indemnify TPFG for TPFG's negligence or misconduct with respect to TPFG's actions or to the extent such indemnification is not permitted under governing law.
- g. **Adviser Acknowledgement of LPOA:** Unless expressly prohibited by Adviser's supervising firm, Adviser will, at all times, act solely in accordance with the authority granted by LPOA and in accordance with Adviser's fiduciary duties to the client as established by agency law and the Investment Adviser Act of 1940.

Account Application & Investment Management Agreement

5. CLIENT REPRESENTATIONS

- a. Client represents that the execution of the Client Agreement, which includes the Account Application, the IMA, and an SIS for each Account invested in a Solution, and such documents as may be incorporated by reference, is properly authorized. Client will provide any additional supporting documentation as may be reasonably required by Adviser or TPFG.
- b. **Risk Profile.** Client acknowledges that Adviser, and not TPFG, is responsible for determining and selecting Client's Risk Profile and for reviewing and monitoring Client's Accounts to ensure that Account Allocations are suitable for Client. Client acknowledges Client's responsibility to provide notice to Adviser or TPFG promptly, in the event of any change in information that impacts Client's Risk Profile.
- c. **Risk of Loss.** Client understands that investing in securities is inherently risky and that investments: (i) are neither insured by the FDIC, NCUA, nor any other regulatory agency; (ii) are not guaranteed by Adviser and/or TPFG, or their affiliates, or any other financial institution; (iii) are subject to investment risk, including the possible loss of the principal amount invested; (iv) do not have performance guaranteed by TPFG or any other financial institution; and (v) are subject to various market, currency, economic, political, and business risks. Client understands that investment objectives may not be achieved, and that past performance is not a guarantee of future results. Further, Client understands that diversification will not avoid loss of principal.
- d. **Liability of TPFG and Adviser.** Neither TPFG, Adviser, nor its/their directors, officers, employees, or affiliates, shall be liable for any loss or indebtedness incurred by Client, except where such loss directly results from TPFG, Adviser, or its directors, officers, employees or affiliate's negligence or misconduct, or as otherwise provided for by Federal or State law.
- e. **Reliance on Third Parties.** Client acknowledges that TPFG will rely on information provided by third parties, including without limitation, custodians, transfer agents, insurance companies, investment advisers, broker/dealers, and employees and agents of each of them ("Service Providers"). Service Providers are reasonably believed by TPFG to be reliable, but such reliability cannot be guaranteed. TPFG is not responsible for any loss resulting from a Service Provider's failure, delay, negligence, or otherwise faulty performance, except where such loss directly results from TPFG, or its/their directors, officers, employees or affiliate's negligence or misconduct, or as otherwise provided for by federal or state law.
- f. **Non-Public Information.** TPFG or its affiliates may, in the course of its business, obtain material, non-public, or other confidential information that, if disclosed, might influence investment decisions. TPFG and its affiliates are prohibited under applicable law from disclosing or using such information, in any manner and for any purpose, until such time as such information becomes publicly available.
- g. **Client's Other Assets.** Client acknowledges that TPFG shall have no obligations with respect to any assets of Client that are not Solution or Model assets. Unless otherwise agreed to in writing, such other assets of Client are not covered by the Agreement.
- h. **Scope of TPFG Services.** Client acknowledges that the services provided by TPFG are distinct and several from the services provided by Adviser. If Client and Adviser have entered into a separate agreement, such agreement shall be separate from this Agreement.

6. ACCOUNT MINIMUMS

TPFG has established account minimums to participate in the Solutions. TPFG may, in its sole discretion, accept client accounts for less than the account minimum. Client may make additions or withdrawals from Client's Account at any time, though Client acknowledges that withdrawals from retirement accounts under the Employee Retirement Investment Security Act of 1974 ("ERISA"), or under Sections 401(a) or 408 of the Internal Revenue Code of 1986, may result in adverse tax consequences. TPFG in its sole discretion may terminate the Agreement for Accounts that fall below the account minimums established. Account minimums can be found in TPFG's Form ADV 2A as well as in the applicable Solution SIS.

7. BROKERAGE

Client or the Adviser will select Fidelity, Pershing Advisor Solutions, or Schwab to serve as the Custodian for Client's Account. Client will be obligated to pay the fees charged by the Custodian, in such amount, with such frequency, and in such manner, as provided for in the agreement between the Custodian and the Client. Client accepts and acknowledges that TPFG is not affiliated with any of the Custodians and shall not receive any portion of the Custodial fees paid by Client to the Custodian. TPFG's interaction with each Custodian (as it relates to this Agreement) shall be limited solely to those activities necessary for TPFG to perform TPFG's services under this Agreement, and to perform such other non-investment management services as instructed by Adviser or Client.

Account Application & Investment Management Agreement

8. PROXIES

TPFG will not be responsible for voting (or recommending how to vote) proxies for any investments held by Client under any Solution or otherwise. Responsibility for voting proxies remain with Client.

9. FEES AND CHARGES:

Clients will pay one or more fees when participating in a Solution. A description of the fees and charges is set forth in the SIS for each Solution and as established by the separate agreement Client enters into with the Account Custodian or product sponsor. Clients should review TPGF's Form ADV 2A, the Account Custodian's fee schedule, the costs and fees incurred by any mutual fund or ETF, as well as any other applicable disclosures.

- a. Unless agreed to otherwise, the Fees assessed will be used to compensate TPGF and Adviser for their services rendered. Fees are deducted quarterly in advance from the Account, except when TPGF's proprietary mutual funds are used. When the proprietary mutual funds are used, fees are paid monthly from the mutual funds.
- b. When participating in a Solution, Client grants to TPGF the authority to calculate the fee and to direct the Account custodian to debit the fees and to remit payment to the Adviser or other parties as necessary to maintain the Solution. Client may also pay fees from other sources. For services rendered by Adviser, Client and Adviser are free to negotiate the Adviser's fee subject to a maximum annual fee as established for the EPIC Program.
- c. **Other Fees:** In addition to the fees paid to TPGF and Adviser, other fees will be assessed and paid by the Client, to include as applicable custodial fees (which may be charged per transaction or asset based), any account maintenance fees, paper statement fees, or other ancillary fees which may be assessed by the Account Custodian or product sponsor (collectively, "Other Fees"). TPGF does not share in these fees. Other Fees also include the internal fund fees assessed by mutual fund, ETF or other investment vehicles paid to manage and operate the fund. Internal fund fees are assessed by the fund but indirectly paid by the Client as a shareholder of the fund. Client is advised to review any fund or ETF prospectuses, and all other applicable disclosure documents, so as to fully understand all fees and expenses in connection with each Solution.

10. PRIVATE CLIENTS

While most Clients are introduced to TPGF and serviced by unaffiliated Advisers, there are instances in which TPGF's Investment Adviser Representatives ("TPGF IARs") service Clients directly as a "Private Client." The Private Client will be serviced by the TPGF IAR who shall assume the roles and responsibility of Adviser as provided for in the Client Agreement and TPGF will assume the supervisory responsibilities of the TPGF IAR. The services provided to Private Clients by TPGF and the TPGF IAR, to include any fiduciary responsibilities, shall be viewed in light of the provisions of the Uniform Prudent Investor Act as applicable under governing law.

11. CONFLICTS OF INTEREST

Client understands that TPGF will perform advisory and/or other services for other clients which may differ from the advice or services provided to Client. In addition, TPGF may, but is not obligated to, purchase, sell, or recommend the purchase or sale of any security which TPGF, or any affiliates, may purchase or sell for their own accounts or the account of any other client. Client is advised to review TPGF's Form ADV 2 which more fully describes conflicts of interest and how such conflicts are mitigated. In addition, certain Solution specific conflicts are disclosed in the appropriate Solution's SIS.

12. ASSIGNMENT & TERMINATION

a. Assignment.

This IMA to include Solution services may not be assigned without the Client's consent. Client shall be presumed to have consented if TPGF or adviser gives written notice of the assignment, identifying the assignee, and Client does not object in writing to the assignment within thirty (30) days of being notified.

Account Application & Investment Management Agreement

b. Termination.

The Client Agreement and any and all Solution services may be terminated individually or in their totality by TPFG, Adviser, or Client upon receipt of written notice from the terminating party. Termination shall be effective thirty (30) days from the date of the notice unless otherwise indicated in the notice (the "Termination Date"). Such termination will not affect the liabilities or obligations of TPFG and Client arising from transactions initiated prior to the Termination Date. As of the Termination Date, TPFG will have no further obligations to act or provide Client with any of the terminated Services. Client may terminate this Agreement without penalty within five (5) business days of signing the Account Application or Solution SIS.
